Approval of Träab Sävsjöström Trä AB

This is to certify that Träab Sävsjöström Trä AB may use the mark below on their production of wood products made from wood that has been heat treated in connection with kiln drying as well as debarked.

The company's official registration number at the Board of Agriculture is SE-G3550

This approval means that the company's production of wood packaging materials fulfils the requirements of treatment and marking laid down in the FAO standard ISPM 15.

The approval has no time limit, but may be withdrawn if an inspection by the Board of Agriculture finds that the company no longer fulfils the requirements. If the approval is withdrawn, the above mark may no longer be used.

The conditions for approval are stated in Swedish Regulation (SJVFS 2004:53) on heat treatment, drying and marking of sawn wood products, wood packaging materials etc. The regulation and more information about the Board of Agriculture's approval of producers of wood packaging materials can be found at www.sjv.se/pps. Click on the English flag for an English version. Please note that only wood products that fulfil the requirements of the above regulation may use the mark.
